MEDICAL: I have worked in several Standardized Patient Programs including **Maine Medical Center** and the **University of New England**. I've performed many cases (too many to list here) but I specialized in "MANIC" and, because of my particular set of skills, I am skilled at APPEARING to be a "violent" patient (without touching the student doctor) and APPEARING very "scary" even "self destructive" while putting no one at risk of any danger whatsoever. I have a history of "capturing" whatever the physical or psychological malady is and portraying it in a frightfully realistic way.

SPECIAL SKILLS Physical Comedy, Monster Suits, Costume Characters, Accents, Character Voices, Military (4 yr. Grad of Military Academy), Martial Arts (Tae Kwon Do, Shotokan, Jeet Kune Do), Staged combat (virtually all weapons, swords a specialty), Firearms Expert, Stunts, Knife Throwing, Rappelling, Basic Juggling, Whistling, Puppetry, Play the Spoons, Acting in a mask/prosthetics, Singing (Baritone and Falsetto).

LICENSES/CERTIFICATIONS: Motorcycle License, Pro-Marksman/Sharpshooter, Current Passport, Certified Fight Director (SPSC), PADI Certified Scuba Diver, Emergency 1 st Responder, AED, Oxygen Provider,

AFFILIATIONS: Former S.A.G., Society of American Fight Directors, Independent Fight Director's Guild, PADI.
