SPECIALTIES: Stunt Coordinator: *This helps me in writing/devising action sequences.* 2nd Unit Director: *I'm experienced in shooting FX shots/plates this helps me in writing/devising FX projects.* Art Director/Technical Director: *I will not write outside of the budget of the project because I know, first hand, what it is to bring a setting/props/wardrobe to life.* Children's Performer/Suit Performer/Puppeteer : *I've performed in over 6,000 live professional shows in venues all over the US. I saw 1st hand what audiences respond to, how they respond and what they will not respond to. As these were mostly shows that I'd written, I adjusted the scripts as I discovered new techniques. When you combine all my touring theatre experience as a Writer, Director, Producer, Designer, Marketing Director, Performer, Master Puppeteer, Suit performer etc... on stage and screen, I am among the most experienced at my craft in the world.*
